D Magazine's List of "Best Mortgage Professionals in Dallas" Features 19 PrimeLending Employees

DALLAS (Aug. 15, 2013)—*D Magazine*'s annual list of the "Best Mortgage Professionals in Dallas" features 19 PrimeLending loan officers. To compile this list, *D Magazine* asked recent home buyers and subscribers to evaluate one professional they recently worked with based on overall satisfaction and if they'd recommend the professional to a friend. Real estate agents were also asked to nominate up to three mortgage professionals with whom they had a close working relationship.

Once this information was obtained, the data was entered into an algorithm that placed emphasis on feedback received from consumers, magazine subscribers and recent home buyers. *D Magazine* then screened each nominee with the Texas Department of Savings and Mortgage Lending to verify their license was up to date and there had been no disciplinary action.

The final list, which can be found in the July issue of *D Magazine*, represents slightly less than 3 percent of mortgage professionals in the Dallas area.
