SAN ANTONIO, TEXAS (November 15, 2012) – The *San Antonio Business Journal* recently ranked PlainsCapital Bank in their list of the Largest Banks with Branches in San Antonio. These rankings are based on total number of local employees. With 30 employees in San Antonio, PlainsCapital Bank ranked No. 11 among the largest banks in this market.

“We have made great strides since entering the market just over eight years ago,” said PlainsCapital Bank President Mike Molak. “San Antonio has been receptive to the responsive, can-do attitude of our experienced bankers and the consistent friendliness of our staff. It is flattering to be among a short list of well-regarded banks that, for the most part, have extensive branch networks and have been established here for decades.”
